Important News from Woody Auction

Woody Auction has always endeavored to do the best job we can on behalf of our consignors, bidders, and staff. Likewise, we follow all the laws and guidelines of the great State of Kansas and Butler County. Having said that, due to the governor's decree yesterday limiting groups to 10 people, we are officially converting the 2-day cut glass auction (March 27 and March 28) into an online LIVE sale. This means we will still be able to execute your bids during the sale and will offer phone bidding *for this auction event only*.

Due to these changes, we are also reducing buyer's premiums by 5% across the board on both bidding methods – online and absentee bidding.

What does this mean for you?

- Please cancel your travel plans immediately if you were intending to come to the auction.
- Do schedule a private preview with us if you'd like to see all the beautiful pieces in person.
- You should register immediately on LiveAuctioneers if you plan to bid online. You must register separately for each day:
 - Day 1: https://www.liveauctioneers.com/catalog/162014_march-27-2020-cut-glass-auction-day-1/
 - Day 2: https://www.liveauctioneers.com/catalog/162017_march-28-2020-cut-glass-auction-day-2/
 - If you haven't done this before, please call Woody Auction and we can walk you through the steps! (316-747-2694)
- If you'd like us to execute absentee bids on your behalf, please get those turned in to us by Friday at 3pm. You can find the form at <https://woodyauction.com/assets/woodyauctionbidform.pdf>. The bid form can be emailed to info@woodyauction.com or faxed to 316-746-2145. Alternatively, if you'd prefer to just send your bids in the body of an email, you can email them to info@woodyauction.com.
- Phone bidding is available for this 2-day event only! Please send us an email or fax with the subject line PHONE BIDDING. You will need to include your name, address, email address, and phone number, along with a list of the lot numbers on which you would like to phone bid. We will need this information by Thursday at 5pm so we can ensure we have our limited personnel scheduled accordingly. Phone bidding will be made available for lots with an estimated value of \$500 or more. Please do not call us with this information – it must be received in writing. Buyer's Premium for phone bidding is 5%.

We hope that you will be able participate in this auction – it truly is one of the best cut glass auctions (with high quality items throughout) that Woody Auction has had the privilege to bring to market recently!

If you have any questions, please don't hesitate to call us at 316-747-2694.
